This course offers a unique opportunity to learn about the clinical health effects of methamphetamine use and abuse, the hazards of synthesis, and responder concerns at clean up and remediation of clandestine laboratories. Children's health and exposure considerations will also be presented. More information is available on the registration web-site.

We have set up a group rate of \$105 for a deluxe room accommodation at the Pechanga Resort & Casino. Call 888-732-4264 for reservations and identify the "Meth Lab Hazards Training Seminar" to receive the group rate. The cut-off date for the special room rate is July 19, 2011
